### Our History...

In August of 2000 several dedicated artists were brought together by a common dream: to provide an outlet for both the display of established artist's works and also offer the Hope Community an organization that would help those interested in the visual arts receive information.

That dream has become a reality with the founding of Art Guild of Hope.

The Art Guild of Hope operates under the non-profit umbrella of Heritage of Hope, Inc. Approved under IRS code 501 c (3).
